4. TEST PAPERS AND MINIMUM EDUCATIONAL QUALIFICATIONS (MEQs) FOR ADMISSION

JAM 2021 had seven Test Papers: Biotechnology (BT), Chemistry (CY), Economics (EN), Geology (GG), Mathematics (MA), Mathematical Statistics (MS) and Physics (PH).

The Minimum Educational Qualifications (MEQs) for admissions to various Academic Programs covered under JAM 2021 are given in **Appendix-II**, along with the eligible Test Papers for each program and the Institutes offering admission.

5. ELIGIBILITY REQUIREMENTS (ERs) FOR ADMISSION

The following are the Eligibility Requirements for admission to IITs.

- A Bachelor's degree with **PASS** grade.

If CGPA/CPI is on a different scale, it would be linearly mapped to a 10 point scale.

For Candidates with letter grades/CGPA (instead of percentage of marks), the equivalence in percentage of marks will be decided by the Admitting Institute(s).

Proof of having passed the Qualifying Degree with the Minimum Educational Qualifications (MEQ) as specified by the Admitting Institute must be submitted by **September 30, 2021**. (This date may be revised by the Admitting Institute, as per its academic calendar.). In case if a candidate is promoted without a marksheet, the promotion certificate or a document accompanying the promotion certificate duly signed by the Head of the Institute must mention the subjects taken in that semester/year to evaluate the MEQ requirements for admission to a specific program.

At the time of admission, all candidates must submit a Physical Fitness certificate from a registered medical practitioner in the prescribed form. The admitted candidates may also have to undergo a Physical Fitness test by a medical board constituted by the Admitting Institute. In case a candidate is not found physically fit to pursue the chosen course, the admission is liable for cancellation. The Admitting Institutes may ask for additional health certificates, if necessary.

Note:

- a) Relaxation of Eligibility Requirement of aggregate marks in the qualifying degree program is applicable only for JAM 2021.**
- b) It is the responsibility of the candidates to provide necessary documents to support their Minimum Educational Qualifications (MEQs) and Eligibility Requirements (ERs).**

6. RESERVED SEATS

The number of seats reserved under various categories in each academic program covered under JAM 2021 is given in **Appendix-I**. Candidates seeking admission under SC/ST/OBC-NCL/EWS categories must

submit a valid category certificate issued by a competent authority as specified in **Appendix-III**, failing which they will not be considered for admission under the reserved category. A category-wise merit list for each program will be prepared and the final seat allotment for the reserved seats will be based on the valid Category Certificate (in the prescribed format) submitted along with the Application Form for admission.

Candidates seeking admission under OBC-NCL category must submit a category Certificate in the format given in **Appendix-IV**. Candidates seeking admission under EWS category must submit a category Certificate in the format given in **Appendix-V** along with the filled-in Application Form for admission. OBCs should be listed in the current updated central list of OBCs (please refer to the website www.ncbc.nic.in). **The candidate will be considered in the General Category in case the submitted category certificate is not in the prescribed format or the submitted certificate is invalid. Late submission is not allowed under any circumstances.**

For PwD candidates with any category of disability (viz., blindness or low vision, hearing impairment, loco-motor disability, and/or cerebral palsy), benefit will be given to only those who have at least **40%** permanent physical impairment to a body part/ system/extremity/ whole body, etc. Such candidates must submit the Certificate of Disability issued by a Government Medical Board and should be fit to pursue the Program. The disability percentage of candidates selected for admission under PwD category may also be required to be certified by a Medical Board, duly constituted by the Admitting Institute. The JAM Organizing Institute will not be responsible for any incorrect declaration of the PwD status of candidates. JAM 2021 will follow the guidelines as mentioned in the government regulations.

Please refer to <http://disabilityaffairs.gov.in/content/page/guidelines.php> webpage.

8. RANK AND MERIT LIST

The JAM 2021 results (merit lists) were declared on March 20, 2021. An All India Rank (AIR) has been assigned to all the candidates in the merit list, based on their performance in the specific test paper. The number of candidates included in the Merit List depends on the total number of seats available in different academic programs for a given test paper. These candidates are eligible to apply for admission to any of the corresponding academic programs available at IITs (see **Appendix-I**) The number of category-wise (OBC-NCL, EWS, SC, ST and PwD) candidates included in the All India Merit List will be based on the category declared by the candidates in their JAM 2021 application. **There are NO separate category-wise merit lists or All India Ranks.**

JAM 2021 Scorecards can be downloaded from the JOAPS portal by the Candidates in the merit list. The Scorecard contains the details of the All India Rank and marks of the candidate, along with the category-wise cut-offs.

Tie-Breaking: The tie-breaking criterion for awarding the ranks to candidates scoring the same aggregate marks in a test paper is as follows:

The candidate with higher marks in NAT (Numerical Answer Type) questions is given a better rank. If this criterion fails to break ties, candidate with higher marks in MSQ (Multiple Select Questions) is given a better rank. If both these criteria fail, older candidate is given a better rank.
